sqft/box) MS International Ledger Panel Glacial Grey corner (3 linft/box)

## MSI Stone Veneer Pricing Notice

MSI stone veneer is sourced from overseas and reflects the quality and craftsmanship of old-world European design. Due to continually changing costs associated with international shipping—including customs fees and tariffs—MSI is unable to offer fixed or long-term pricing at this time.

MSI remains committed to providing the best possible value, and here at Mulch Barn Supply, we work diligently to pass those savings on to our customers whenever possible.

For the most current pricing on MSI veneer for your next project, please contact us directly. Our team will be happy to provide up-to-date rates and assist with product selection
